

## Action Required: Medicare Prescription Payment Plan Processing Information

Dear Valued Provider,

Effective January 1, 2025, Prime Therapeutics (Prime) will begin processing Medicare Prescription Payment Plan (M3P) claims for Medicare Part D Covered Persons. This is an optional program that eligible Part D members can elect to participate in that is intended to spread their out-of-pocket costs more evenly throughout the plan year. Once a member has elected to join the program, they will pay no out of pocket costs at point of sale and will be billed in monthly payments by their health plan.

Pharmacies are expected to comply with all CMS defined requirements for the M3P program.
