

Dear Pharmaceutical Manufacturer:

On March 14, 2025, the Florida Medicaid Pharmacy & Therapeutics (P&T) Committee will review the products on the attached document. The product list can also be found here: <https://www.primetherapeutics.com/en/single-state-programs>. In preparation for this review, Prime Therapeutics is, on behalf of Florida Medicaid, requesting supplemental rebate offers for these products.

SEE IMPORTANT NOTE AT BOTTOM OF EMAIL

All offer forms submitted must include a GNUP (Guaranteed Net Unit Price) in number format in the GNUP column. Offers with blanks in the GNUP column will be considered incomplete. Please only include items on the form that you intend to provide an offer on. Incomplete forms will be rejected.

The preferred contract price/discount for Florida Medicaid is Guaranteed Net Unit Price (GNUP) based on Wholesale Acquisition Cost (WAC). GNUP is calculated as:

GNUP = WAC Price per Unit - Federal Unit Rebate Amount - Supplemental Rebate Amount.

The GNUP represents the value that will determine your supplemental rebate amount each quarter, along with the WAC price and Federal URA in effect for that quarter, throughout the term (1 year) of the contract. It is also the value that will appear on your contract as the contract price.

All supplemental rebate offers must be submitted via the Prime Therapeutics Secure FTP site (<https://secureftp.providersynergies.com/>) using the Offer Form available for download at:

<https://www.primetherapeutics.com/en/single-state-programs>

Only those offers submitted to Prime Therapeutics through our Secure FTP site and using **this** Offer Form will be presented to the state for review and consideration

Please save the Offer Form file to your local PC and follow the instructions for the completion and submission of the form. All best and final supplemental rebate offers must be submitted to the Prime Therapeutics Secure FTP site by:

2:00 p.m. EST on January 3, 2025

NOTICE REGARDING MANAGED CARE PHARMACY BENEFIT

Please note the requirement that impacts the Florida Medicaid program and the Preferred Drug List (PDL). As a result of the requirement that all Medicaid programs follow the Florida Medicaid Fee-For-Service (FFS) PDL, including all prior authorization procedures and criteria, any and all supplemental rebates resulting from offers pursuant to this and subsequent solicitations will be applied to all outpatient drug utilization by Florida Medicaid recipients, regardless of whether the recipient receives the pharmacy benefit through the FFS program or through a non-FFS Medicaid program.

The current Supplemental Rebate Agreement includes outpatient pharmacy claims paid by non-FFS Medicaid programs in the definition of utilization that is eligible for supplemental rebates. Offers including language that prohibits the inclusion of non-FFS Medicaid pharmacy utilization in that which is eligible for supplemental rebates will not be accepted

Supplemental rebates for those products selected for the Preferred Drug List will begin to accrue **July 1, 2025**. The term of the contract is 1 year (7/1/2025 – 6/30/2026).
